

National Organization on Fetal Alcohol Syndrome-South Dakota (NOFAS-SD) FASD Family Network

Purpose:

The Fetal Alcohol Spectrum Disorder (FASD) Family Network works to strengthen relationships between families and communities by building partnerships and providing resources. The purpose of the FASD Family Network through NOFAS South Dakota is to ensure the success of children diagnosed with FASD by enhancing the ability of South Dakota families and communities to respond to the individual needs of their children.

Services:

- Connect families to pre-existing FASD support groups in their area or assist individuals in developing a new FASD group in their area of the state.
- FASD Family Listserv provides families the opportunity to share resources as well as allow NOFAS South Dakota staff a direct route to communicate with families about FASD resources, upcoming events, and other FASD specific information.
- Dissemination of information and resources on FASD to other parent support groups statewide.
- Provide trainings and technical assistance to schools, professionals, and families.
